Dear Dr. Michele R Wright

Thank you so much for sowing your book into my life, Dear Success Seeker. Your words are very powerful. You wrote, "The Best is Yet to Come." Ever since I received your book, God has changed my life. I have received new opportunities, divine connections, open doors, and even on the radio talk show. I appreciate you Woman of God for everything you are doing. Thank you again, be blessed in all you do.

Sincerely Yours,

Tinika Bell
